

8T4 Reunion Report

The Class of 8T4 had a smashing success of a reunion for their 25th anniversary. The event was held at the Faculty Club at the University of Toronto, where 147 guests enjoyed a wonderful evening. Following a reception in the front room at the club, the dinner began with a slide show of photos from days gone by, including old team photos, class photos, Faculty of Medicine open house, Daffydil antics and present day campus.

Dinner was a boisterous affair, with people crisscrossing the dining room throughout the courses, catching up with old friends and sharing memories. Dr. Hans Jung, presently Surgeon General, Commander of Health Services Group and Director General Health Services for our Armed Forces, shared a presentation of his travels to Afghanistan. After dinner, we were entertained by Richard Hegele on piano, and Tim Rutledge on sax, while the memories, stories and jokes continued. A great time was had by one and all, judging from all the smiles and laughter.

A small group enjoyed a tour, "Art and Architecture," in the newly reconstructed AGO on Saturday afternoon. Sunday breakfast at Bistro On Two, (Sheraton Hotel) was busy and allowed out-of-towners, and people who could not make the Saturday dinner, to do more catching up on news.

The Faculty Club is the perfect location for the reunion, and the house atmosphere was a perfect setting. Food was great and so were all the staff there. The Sheraton was also a good location. The breakfast was done at Bistro On Two, where there is a backroom, they call the Gallery Room, which we had set aside for us. Everyone paid their own bill, but we could hang out and our kids could come and go as people got ready to catch a flight, etc.
